Dear Parents,

The Drake Women's basketball game against Waldorf University at the Knapp Center was a wonderful experience for our class.

The game gave us a chance to see character in action. We saw examples of teamwork, determination and sportsmanship.

Find out more when you ask your child about the game. Some questions to ask.

- Before the game, what did you think would happen?
- What did you like best about the game? Why?
- Tell me about a time when a player showed respect?
- Do you think the players were fair? Why?
- How could you tell the crowd was caring?
- What is the Six Pillar Shuffle?
