## **“GOOD CITIZENSHIP CAN’T BE SOMEONE ELSE’S JOB.”**

Good citizenship requires that we do our part to make our community better.

‘Making our community better’ sounds like a pretty large task. How do we even know where to start? It’s hard to begin when we don’t know what to do. It’s hard to find the drive if we imagine that someone else will do it if we don’t.

Good citizenship can’t be someone else’s job. It takes each of us, doing our own part, to make our community better.

How can you contribute? What is something you can do this week to help your community?
