

# An All-Star Evening

We have been closely monitoring the situation around the spread of COVID-19 throughout the United States and have been making plans for how we can best protect those around us from the spread of the virus.

**To help have a safe event, we're making a few changes to the 2021 All-Star Evening.**

- The 2021 All-Star Evening will be held on Friday, July 23, rather than our usual April date.
- The event will be held outside, on Drake's great blue oval!

Save Friday, July 23 on your calendar! We'll share more details in the coming months.
